

Charli XCX - Hanging Around

Tom: E

E A E
 B Help me out, I need escape It's the truth, I got to go
 E A E
 B With all the boys in the back alley And all my girls in the
 E super store
 E A E B
 B Because we need electricity City lights gotta glow for me
 E A E
 B I want more than a car I'm a queen So get your shit, now we
 E got to roll

E A E B
 B Let's go out of this town, too but hanging around.
 E A E
 B Sky high, head in the clouds, Never gonna come down.
 E A E
 B Drums' pace turn 'em up loud Free for spinning around.
 E A E
 B Sky high, head in the clouds Never gonna come down.

E A E
 B Take the car and cut the brakes, Driving out into the dark
 E A E
 B Even though I love mom and dad, I wanna swim out, and we leave
 E the shorts
 A E
 B I wanna learn to speak Japanese Raise and shop for the silver
 E grave
 A E
 B You were make for limousine So get your shit, and come with me
 E A E B
 B Let's go out of this town, too but hanging around.
 E A E
 B Sky high, head in the clouds, Never gonna come down.
 E A E
 B Drums' pace turn 'em up loud Free for spinning around.

E A E
 B Sky high, head in the clouds Never gonna come down.

E A E
 B Blowing bubbles out in the cross All time go in stars, getting
 E faded in the back seat
 A
 E
 E You can be a honey with us We used to walk around the back
 B street
 B Swimming through some merry heels
 E A
 E B
 E Fuck the dream, I want it for real Always making look so easy,
 A move into the city
 A
 E A
 E Take it little something surreal, Rematch more then enough,
 B
 B Yeah we all just tryina be who we feel

A E B
 A Fall and get up in the air, we don't care, no
 E B
 A Something on a silver ware, wanna let go
 E
 B
 A We're so caught up being held, We don't care, no
 A
 A I wanna run our wild and free When my friends stand next to me

E A E B
 B Let's blow out of this town, too but hanging around.
 E A E
 B Sky high, head in the clouds, Never gonna come down.
 E A E B
 B Drums' pace turn 'em up loud Free for spinning around.
 E A E
 B Sky high, head in the clouds Never gonna come down.

E A E B
 B Uuh aha ah ah Hanging on hanging on.
