

Charli XCX - I think about it all the time

tom:

Intro: Am C F G

[Refrão]

Am C
I think about it all the time

F
That I might run out of time

F
But I finally met my baby

G Am
And a baby might be mine

'Cause maybe one day I might

F
If I don't run out of time

F G
Would it give my life a new purpose?

[Primeira Parte]

Am C
I was walking around in Stockholm

Seriously thinking

F
'Bout my future for the first time

G
It was ice cold

Am C
Playing demos on my iPhone

F
I went to my friend's place

G
And I met their baby for the first time

Am C
How sublime, what a joy, oh my, oh my

F
Standing there, same old clothes

G
She wore before, holding her child, yeah

Am C
She's a radiant mother and he's

A b?autiful father

F
And now they both know thes? things

G
That I don't

[Refrão]

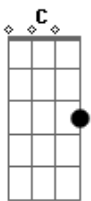

Am C
I think about it all the time

F
That I might run out of time

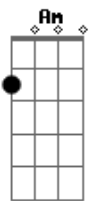

F
But I finally met my baby

But I finally met my baby

Mm, mm-mm, mm-mm

Am C F G
Mm, mm-mm, mm-mm

[Segunda Parte]

Am
And they're exactly the same

C
But they're different now

F
And I'm so scared I'm missin'

G
Out on something

Am C
So, we had a conversation on the way home

Should I stop my birth control?

F G
'Cause my career feels so small

In the existential scheme of it all

[Refrão]

Am C F G
Mm, mm-mm, mm-mm

Am C F G
Mm, mm-mm, mm-mm

I think about it all the time
