

Charli XCX - I think about it all the time

tom:
Intro: Am C F G

[Refrão]

Am C
I think about it all the time
F
That I might run out of time
F
But I finally met my baby
G Am
And a baby might be mine
C
'Cause maybe one day I might
F
If I don't run out of time
F G
Would it give my life a new purpose?

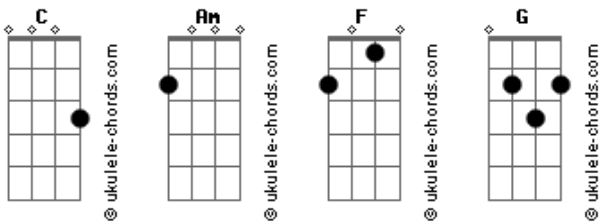

[Primeira Parte]

Am C
I was walking around in Stockholm
F
Seriously thinking
G
'Bout my future for the first time
Am C
It was ice cold
F
Playing demos on my iPhone
G
I went to my friend's place
Am C
And I met their baby for the first time
F
How sublime, what a joy, oh my, oh my
G
Standing there, same old clothes
Am
She wore before, holding her child, yeah
C
She's a radiant mother and he's
F
A beautiful father
G
And now they both know these things
G
That I don't

[Refrão]

[Segunda Parte]

Am
And they're exactly the same
C
But they're different now
F
And I'm so scared I'm missin'
G
Out on something
Am C
So, we had a conversation on the way home
C
Should I stop my birth control?
F G
'Cause my career feels so small
G
In the existential scheme of it all
