

# Charli XCX - Kingdom

Tom: A

( A D Bm E )

D Bm A D Bm E A  
 It's all black Your kingdom's turned me blank I'm paper  
 and  
 E A D Bm E A D Bm  
 I'm snow I'm lost but I can't slow I'm lost but not alone

A D Bm E A D Bm  
 It's so light, the dark it burns my eyes My bones, they  
 used to  
 E A D Bm E A D Bm  
 Glow But now I'm throwing stones I'm losing where to go

Bm D A  
 Shadows on my back are moving slow They twist behind like.

Bm D A  
 White leaves in the wind And as I ride, these horses will say.

E  
 Fly, Falling hard, falling high, through your arms.

Bm D A  
 Shadows in my head don't need no light They stay through the  
 night.

I'm locked up, your kingdom's like a drug The chains are  
 made of  
 A D Bm E A D  
 Bm E A D Bm E  
 Glass, I'm breaking through your blood I'm never strong  
 enough

Bm D A  
 Shadows on my back are moving slow They twist behind like.

E  
 White leaves in the wind And as I ride, these horses will say.

Bm D A  
 Fly, Falling hard, falling high, through your arms.

Bm D A  
 Shadows in my head don't need no light They stay through the  
 night.

Bm D A  
 To every rose with bloody thorn It lifts you up and lets you  
 fall

Bm D A E  
 To rivers flowing on the factory halls

Bm D  
 Your kingdom's come, it's waiting still The space between  
 you'll never fill

Bm D A E  
 I tried but I could not change your mind

( A D Bm E )

A D A Gbm D A  
 I dance around, and I lost you now

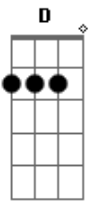

E Gbm D Gbm E Gbm  
 I breathed you out, I kept you out

A E A  
 But if I could, I'd turn back around
