

Charlie McDonnell - A Song About Acne

Tom: G

Intro: 2x: G D A C

G D C
spots on my face, too much acne to embrace

G D C
The person behind them

G D C
Zits on my back, with heads bright white, scarlet and black

G D C
In much too much an awkward place to pop them

G D C
Pimples on my chest, probably there because I'm stressed

G D C
About the people talking behind my back

G D C
About the spots on my face, the ones I wish I could erase

G D C
Just like the so called friends that like to tease me about them

(Refrão)

G D A C
Clearasil and Freederm, sitting in my bathroom

G D A C
The spots on my face can confirm that they don't really work

G D A C
Proactiv solution deserves an execution

G D A C
For being an ablation that does nothing but smirk at me

G D A C
'Cause I'm an acne ridden teen

(G D A C) (2x)

G D A C
Countless times I've tried and tried but my skin just ends up all dry

G D C
And I'm left wanting to say inside

G D C
But then one day I said: "Charlie, it's not as bad as it could be

G D C
They're only spots, it's not like you've died?"

G D C
Be a man, be who you are, but try not to pop them in case they scar

G D C G
Even though squeezing them is fun, fun, fun

D C
Understand at the end of the day to put your hands down and

say okay

G D C
Get out of the bathroom, and lie out in the sun (because I heard that helps)

(Refrão)

Proactiv solution deserves an execution

G D A C
For being an ablation that does nothing but smirk at me

G D C
'Cause I'm an acne ridden teen

D
But I won't let that define me

C D
Because the people that mind don't matter

C D
And the people that matter don't mind

C D
So when all that puss goes splatter

C D
Wipe it off your mirror, and wipe it from your mind

G D C
You could try and dairy free diet

G D C
And drink 8 cups of water a day

G D C
But in the end your acne will still run riot

G D C
'Cause the hormones that cause them, just won't go away

(G D A C) (4x)

G D A C

Somewhat smelly,

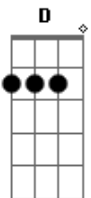

C
Kind of weird

D G
But generally, a OK teen
