## [Primeira Parte]

Bm A D  
I'm sick and tired of singing the wrong words

G  
Words that you don't wanna hear

Bm A D  
Tryna play these chords that we danced to

G  
Right before you disappeared

Bm A D  
Hoping that my voice will remind you

G  
Everything that we've been through

Bm A D  
All I make is music for crying

G  
Gonna need some more tissues

## [Pré-Refrão]

Bm A D G  
All like a river, they fall

Bm A  
Tell me why every song I write

Sounds so sa-sa-sad, yeah

## [Refrão]

Bm A  
I can't keep my mind off you

D G  
Lately, you're responsible for

Bm A D G

I can't think of a melody

That makes you come back to me

Bm A D G

## [Segunda Parte]

Bm A D  
I'm sick and tired of singing the wrong words

Hoping that my voice will remind you

When the radio comes on

All I make is music for crying
