

# Charlie Sheen - Quem Soltou Um Pum

tom:

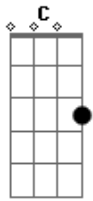

C

Sei que no inverno faz muito frio  
 E que nova York tem prédios enormes  
 Eu soube que na china tem uma muralha  
 Sei essas coisas e mais

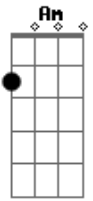

F G

Mas só quero uma resposta seja lá qual for  
 Quem soltou um pum  
 Quem soltou um pum  
 Eu quero saber quem soltou um pum  
 Eu só queria é saber porque meus olhos ardem  
 Quem foi que soltou?
