

Charlie Sheen - Quem Soltou Um Pum

tom:

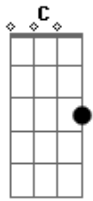

C

Sei que no inverno faz muito frio
 E que nova York tem prédios enormes
 Eu soube que na china tem uma muralha
 Sei essas coisas e mais

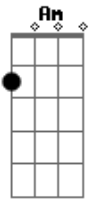

F G

Mas só quero uma resposta seja lá qual for
 Quem soltou um pum
 Quem soltou um pum
 Eu quero saber quem soltou um pum
 Eu só queria é saber porque meus olhos ardem
 Quem foi que soltou?
