

Charlotte Cardin - Meaningless

tom:
G
[Primeira Parte]
Gm F
I hear your voice
Bb Eb D
But it never quite fills the void
Thought that we were two for good
Bb Gm D F
But love is never like it should
I can arrange meeting a stranger, forget
Eb D Bb
You a day
But?i?can't?imagine what even?happens
Bb Eb D
Beyond the?pain (mmm)

[Pré-Refrão]

Gm F Bb Eb
See the sun leading us
D
To the land of the lost and the
Gm
Reasonless

F Bb Eb
Hear the drum beating us
D
I forever surrender

[Refrão]

Gm F Bb
I don't wanna live
Eb D
A meaningless
Gm F Bb
I don't wanna live
Eb D
A meaningless
Gm F Bb Eb D
Life without you (oh-oh)
Gm F Bb Eb D
Life without you (oh-oh)

[Segunda Parte]

Gm F Bb
I'm tired of good boys sleeping on my
Eb
Chest
Gm
You wanna rip my heart out, baby, be my guest
F Bb Eb
I hope you hear this song and reminisce
G
'Cause without me, your whole life is
Gm
Fuckin' meaningless

[Pré-Refrão]

F Bb Eb
See the sun leading us
D
To the land of the lost and the
Gm

Acordes

Reasonless

F Bb Eb
Hear the drum beating us
D
I forever surrender the rest is
Gm
Meaningless
F Bb Eb
Meaningless

[Refrão]

Gm F Bb
I don't wanna live
Eb D
A meaningless
Gm F Bb
I don't wanna live
Eb D
A meaningless
Gm F Bb
Oh, I've been wasting my twenties
Eb D
Filling glasses half empty
Gm F Bb
I don't wanna live
Eb D
A meaningless
Gm
Life without you

[Ponte]

Gm F Bb Eb
You've seen me down, you've seen me high
D Gm
You've seen me dancing in the night
F Bb Eb
Now that you're gone, you leave me cryin'
D Gm
Alone in this meaningless life
Gm F Bb Eb
You've seen me down, you've seen me high
D Gm
You've seen me dancing in the night
F Bb Eb
Now that you're gone, you leave me cryin'
D Gm
Alone in this meaningless life

Gm F Bb Eb
You've seen me down, you've seen me high
D Gm
You've seen me dancing in the night
F Bb Eb
Now that you're gone, you leave me cryin'
D Gm
Alone in this meaningless life

[Final]

Eb
See the sun leading us
D
To the land of the lost and the reasonless
Eb
Hear the drum beating us
D
I forever surrender, the rest is
Gm
Meaningless
