

# Charlotte Cardin - Oceans

tom:  
 Summer ends, say you'll miss me too  
 We're out in your hood  
 Paris don't look as good as you  
 The Sun sets, but baby, you're the view  
 It don't matter the place  
 I keep findin' my way to you  
 I'd cross all the oceans (for you)  
 Loss all my fortune for you  
 Spend all my time and my very last dime  
 I'd cross all the oceans (for you)  
 Got my mind on my money  
 And the money on my baby (for you)  
 My money on my baby  
 Got my mind on my money  
 And the money on my baby (for you)  
 My money on my baby  
 And don't forget your girl  
 Back home (girl back home)  
 You can reach me at night  
 Reach out anytime that you want, yeah  
 And know you'll never be alone  
 It don't matter the place  
 Don't matter the times, ohh, oh-ohh

I'd cross all the oceans (for you)  
 Loss all my fortune for you  
 Spend all my time and my very last dime  
 I'd cross all the oceans (for you)  
 Got my mind on my money  
 And the money on my baby (for you)  
 My money on my baby  
 Got my mind on my money  
 And the money on my baby (for you)  
 My money on my baby  
 Got my mind somewhere  
 But it's never really here  
 Left my heart back there with you  
 And I reminisce 'cause I start  
 Losing it, but baby  
 This time's [?] you  
 I'd cross all the oceans for you  
 Loss all my fortune for you  
 Spend all my time, my very last dime  
 I'd cross all the oceans (for you)  
 I'd cross all the oceans for you  
 Loss all my fortune for you  
 Spend all my time, my very last dime  
 I'd cross all the oceans (for you)  
 (For you)
