

Charlotte Grayson - Where do Babies Come From

tom: G

Ever since she was just a child Bm

Her mom told you bum to lies A G Bm

About how babies came from the sky Bm7

Now she's older she really needs A

Answers to put in release G

Mommy, mommy tell me please Bm7

Where do babies come from really?

They came from boys who want to sit on their ass Bm

They came from girls who like to grow up too fast A

They came from screaming, fighting, make-up sex G

They came from everybody but not you or else B7 Bm

(Bm A G B)

Bm

What a beautiful mess I've made

I throw milk on the walls in rage A G B

Oh I'm trying to just forget the pain Bm

Push him away like he pushed me about A

Block out the image I could do without G

Daddy, daddy help me now

Bm

How do I put this little light out

They came from boys who don't want to be alone Bm Em

They came from girls who sadly we're running too slow A

They came from screaming, shouting, no, no, no G

They came from me and rest I don't really know Bm7 Bm

(Bm A G B)

B

And turns out

They don't came from rainbows and love Bm Em

They come from sad little boys who push and shove A

They don't come from fairies at night G Em7

They come from scare little girls who couldn't put up to fight Bm7

They came from boys who want to sit on their ass Bm

They came from girls who like to grow up too fast A

They came from screaming, fighting, make-up sex G

They came from everybody including yourself B7

They came from boys who don't want to be alone Bm

They came from girls who sadly we're running too slow A

They came from screaming, shouting: No, no, no G

They came from me and rest I don't really know B7 Bm
