

# Charlotte Lawrence - Everybody Loves You

tom:

D

[Primeira Parte]

I am so tired, I have to tame my  
 Mind before I get too frustrated  
 Can't go back in time to change in  
 Someone's eyes that I was not  
 Something to play with  
 Try not to talk about it, I'm too  
 Mad, I'm too late, I'm too gentle  
 It's too hard to explain, I'm not  
 Helpful

[Refrão]

It's my body and I'm trying to hate

You cause I want to  
 It's my body and I'm trying to while

Everybody loves you  
 It's my body and I'm trying to  
 Forgive you, I don't want to  
 It's my body and it hates you, why

Does everybody love you?

[Segunda Parte]

Sometimes I close my eyes amidst the  
 Dancing lights  
 When it feels too wild for breathing

I can't sleep at night, unless I

Start to lie and believe it like

A story

Try not to think about it so insane

I'm so used to my nightmares

It's ok 'til it's not and I'm back

There

[Refrão]

It's my body and I'm trying to hate

You cause I want to

It's my body and I'm trying to while

Everybody loves you

It's my body and I'm trying to

Forgive you, I don't want to

It's my body and it hates you, why

Does everybody love you?

[Final]

Why does everybody love you?

They don't know enough about you

Do they know that I regret you?

Do they know I shouldn't have to?

Why does everybody love you?

They don't know enough about you

Do they know that I regret you?

Do they know I shouldn't have to?
