

# Charlotte Lawrence - Joke's On You

tom:

Intro: Dm A Dm A G A

Dm  
Drag me to death, like a lit cigarette

Took my last breath, like the smoke from my lips  
A  
I've lied for you and I liked it too

But my knees are bruised from kneeling to you  
Dm  
I've had enough, but you're too hard to quit

We've had our fun, now your sugar makes me sick  
A  
I've lied for you and I liked it too

But my makeup's ruined  
Dm  
And now I'm laughing through my tears  
A  
I'm crying through my fear

Dm A  
But, baby, if I had to choose

Dm A  
The joke's on you

Dm A  
The joke's on you

Dm  
God knows I've tried to be kind

A  
But I won't just lay down and die

Dm  
Wearing a fake smile

Dm A  
The joke's on you  
Dm  
My heart's gone bad, now it won't beat for you

You had your laugh, now I won't play the fool  
A  
I've lied for you and I liked it too

But I'm black and blue from bleeding for you  
Dm  
You struck the match, burned me out so fast

Look what we had, now it's turned to ash

A  
I've lied for you and I liked it too

But my makeup's ruined  
Dm  
And now I'm laughing through my tears

A  
I'm crying through my fear

Dm A  
But, baby, if I had to choose

Dm A  
The joke's on you

Dm A  
The joke's on you

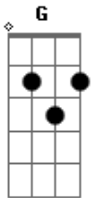

Dm  
God knows I've tried to be kind

A  
But I won't just lay down and die

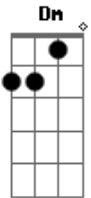

Dm A  
Wearing a fake smile

The joke's on you
