

Charlotte Lawrence - The Few Things (feat. Jp Saxe)

tom:

[Primeira Parte]

I don't say whats on my mind quite as much as you'd like me to

I've been hearing that my whole life, I promise, it's not just you

But I so confidently want you that

When you say you're insecure about my feelings I don't take it serious

But if you need me to tell you more

[Refrão]

You're one of the few things that I'm sure of

You're one of the few things that I know already

I could build my world of

One of the few things that I'm sure of

And I want you to unravel me

Come closer, come closer

And I want you to unravel me

[Segunda Parte]

I don't say what's on my mind quite as much as you'd like me to

And often when I'm quiet you worry I'm hiding from you

And I know I keep a lot to myself

But still you're more a part of me than anybody else

So if you need me to tell you more

[Refrão]

You're one of the few things that I'm sure of

You're one of the few things that I know already

I could build my world of

One of the few things that I'm sure of

And I want you to unravel me

Come closer, come closer

And I want you to unravel me

Come closer, come closer

[Ponte]

You're one of the few things that I'm sure of

You're one of the few things that I know already

I could build my world of

One of the few things that I'm sure of

And I want you to unravel me

And I want you to unravel me

(Come closer, come closer)

You're one of the few things that I'm sure of

You're one of the few things that I know already

I could build my world of

One of the few things that I'm sure of

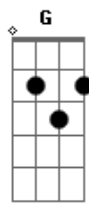

And I want you to unravel me

Come closer, come closer

Come closer, come closer
