

Charly Coombes & The New Breed - Broken Glass

tom:

Intro: F7M Am G

G F7M Am
Every guess that we take is just a shot in the dark, unholy desire

G F7M Am
And all the trouble we make is only making it harder, until we sing in the fire

Oh please take a look around, baby please let your heart out
I'm all alone and I can't wake up if I'm sleeping it all

G F7M Am G
Oh please, please stay here, baby you see what it is you fear

D Dadd9
But I'm alone and I cant wake up if I'm sleeping it all

Am F7M Em D Dadd9 D Dadd9
Strain your eyes for daylight, out on a dark night, you let it out

G F7M Am
All the messes we make won't be swept away, they'll soak in your skin

G F7M Am
And all the stages and fakes will get their own world one Day
Now

let the changes begin

Oh please will you follow me, I wouldn't leave you if you left me,
