

Chase Atlantic - Friends

Tom: G
Intro: G Em Bm Bm x4

G Em
Girl, tell me what you're
Doing on the other side?
And so, just tell me what
You're doing with that other guy?
Cause I ain't got patience to
Slow down the bass all your
Girl friends are all wasted
They need it, they chase it
Face it you want it, you crave it
Believe when I say that you'll know
Once you taste it

Em
All of your friends have been
Here for too long
They must be waiting for
You to move on
Girl, I'm not with it
I'm way too far gone
I'm not ready, eyes heavy now
Heart on your sleeve like
You've never been loved
Running in circles
Now look what you've done
Give you my word as you
Take it and run
Wish you'd let me stay
I'm ready now

But you, were busy lying
Sleeping 'round with other guys
And what the hell were we?
Tell me we weren't just friends
Bm
This doesn't make much sense
G
No
Em
But I'm not hurt, I'm tense
Bm Bm
Cause I'll be fine without you babe
