Yeah
 7:30 in the night, yeah
 Ooh-ooh, ooh

I get those goosebumps every time
 Yeah, you come around, yeah
 You ease my mind, you make everything feel fine
 Worry about those comments
 I'm way too numb, yeah, it's way too dumb, yeah
 I get those goosebumps every time, I need the Heimlich
 Throw that to the side, yeah
 I get those goosebumps every time
 Yeah, when you're not around
 When you throw that to the side, yeah
 I get those goosebumps every time, yeah
 I want to press my like, yeah, I wanna press my
 I want a green light, I wanna be like
 I wanna press my line, yeah
 I want to take that ride, yeah
 I'm gonna press my lime
 I wanna green light, I wanna be like, I wanna press my
 Mama, dear, spare your feelings
 I'm reliving moments, peeling more residual
 (I can) buy the building, burn the building
 Take your bitch, rebuild the building
 Just to fuck some more
 (I can) justify my love for you
 And touch the sky for God to stop, debating war
 Put the pussy on a pedestal
 Put the pussy on a high horse
 That pussy to die for
 That pussy to die for
 Peter, piper, picked a pepper
 So I could pick your brain
 And put your heart together
 We depart the shady parts and party hard
 The diamonds yours
 The coupe forever
 My best shots might shoot forever like (brr)

I get those goosebumps every time
 Yeah, you come around, yeah
 You ease my mind, you make everything feel fine
 Worry about those comments

I'm way too numb, yeah, it's way too dumb, yeah
I get those goosebumps every time, I need the Heimlich
Throw that to the side, yeah

I get those goosebumps every time
Yeah, when you're not around
When you throw that to the side, yeah
I get those goosebumps every time, yeah
