And our two worlds, they will collide

But that's fine with me girl

D A G  
Hold your breath, we'll be just fine

[Refrão]

D A G  
So tear it down like you have too  
The smokes building in my lungs  
Well, God damn, I've gotta have you  
And I'm not stopping till we're done here  
Cause I want this more than you think, dear  
And this substance isn't making my head clear  
And just hold your breath, now
