Intro: Dbm Abm Gb  
Dbm Abm Gb

Busy on the weekend  
Caught up in your own small world  
Well, I might wanna see it then  
Call it hesitation, girl

We're running in the moonlight  
We're dancing in the open waves  
You're hangin' for a good time  
Something that'll make you stay

And girl, you fall down again  
You tell me you're all out again  
We're running in the moonlight  
Could you show me the way again?

Oh, no, no

You're talking in and out of the  
Subject  
Just call me when you're finished, are  
You done yet, girl?  
You're falling in and out through a  
Sunset  
And I just wanna know if you're in love  
Yet girl

She just wants to talk through the  
Daytime  
And I just want it all when the time's  
Right  
Yeah, she's about to fall for the third  
Time  
The nature of it all

Busy on the weekend  
Caught up in your own small world  
Well, I might wanna see it then  
Call it hesitation, girl

We're running in the moonlight  
We're dancing in the open waves  
You're hangin' for a good time  
Something that'll make you stay

And girl, you fall down again  
You tell me you're all out again  
We're running in the moonlight  
Could you show me the way again?

Oh, no, no
