

# Chase Atlantic - Vibes

tom:  
A (forma dos acordes no tom de G)  
Capostrate na 2ª casa

Well breathe in  
She said: That's fine  
What's on your mind?  
I said: Your skin  
Can I imply that it's alright to let me in?  
Just give me time  
To get things right  
Then we'll begin  
You tell me when

[Pré-Refrão]

Oh, she says I'm out of her league

I don't think so  
I'm not ready to leave

But I should go  
There's such a wonderful breeze

From the window  
And now we're takin' it down

Like a free throw  
And I'm ready if you're ready to go  
Just say the word, just say the word  
Just say the word

[Refrão]

This could take some time  
Hands all over mine  
Let this feeling slide  
And girl, I'm yours tonight  
And she said: How I love the vibes  
And she's feeling so alright  
And we're not coming down, we're high  
So high

[Segunda Parte]

Well breathe in  
The cigarette to ease the stress he left you with  
I think you'll find that I don't mind if I'm dismissed  
But you'll be fine with pouted lines break through your skin  
You tell me when  
[Pré-Refrão]

Oh, she says I'm out of her league  
I don't think so  
I'm not ready to leave

But I should go  
There's such a wonderful breeze

From the window  
And now we're takin' it down

Like a free throw  
And I'm ready if you're ready to go  
Just say the word, just say the word  
Just say the word

[Refrão]

This could take some time  
Hands all over mine  
Let this feeling slide  
And girl, I'm yours tonight  
And she said: How I love the vibes  
And she's feeling so alright  
And we're not coming down, we're high  
Hey, this could take some time, hands  
All over mine  
Let this feeling slide and girl, I'm  
Yours tonight  
And she said, "How I love the vibes"  
And she's feeling so alright  
And we're not coming down, we're high  
So high
