Jump in my love car don't have to go very far
Just far enough to show you a thing or two

I can really swing the best of everything
And I want to have a thing with you

High roller what I buy is mine and I always get the things
that I choose
My my my such a high roller

I'm in the mood for love You're all I'm thinking of
I'll make you feel all right when we're alone
High roller what I buy is mine and I always get the things
that I choose
My my my such a high roller

I know he's gone away and left you I'll take real good care of
you

I can really swing the best of everything And I want to have a
thing with you

Is that you? I knew you'd be here tonight and I'll make it
all right
I'll tkae real good care of you
I'll tuck you in tonight and I'll make it all right

you
