

Cheap Trick - High Roller

```
From: Glen Norman Pavan
                                                     (E )Is that you? (D )I knew you'd be (Eb ) here tonight and
                                                     (E)I'll
album: Heaven Tonight
                                                       make it all right (Gb )
                                                        (D )I'll take (E )real good care of you
key: A
tuning: standard E A D G
Intro: G-----
                                                     D-----0---0-----
                 -----|
                                                     (D )I'll tuck you (Eb )in tonight and (E )I'll make it all (Gb
-0-3-5-0---I
                                                     post chorus
                                                     verse riff to end
G-----|
D------
                                                     Jump in my love car don't have to go very far
A---5-5-3------
                                      play it 5 times
                                                     Just far enough to show you a thing or two
for the first verse
E------|
                                             3 times
                                                     I can really swing the best of everything
for the second verse
                                                     And I want to have a thing with you
verse
                                                     High roller what I buy is mine and I always get the things
                                                     that I choose
chorus
                                                     My my my such a high roller
                                                     I'm in the mood for love You're all I'm thinking of
                                                     I'll make you feel all right when we're alone
                                                     High roller what I buy is mine and I always get the things
E--7-7-7-7-7-7-7-7-7-7-19\7-0-0-0-0-0-0-0-0-0-0-----
                                                     that I choose
                          Roller
                                                     My my my such a high roller
  High
  What I (A )buy is mine and I always get the things that I
                                                     I know he's gone away and left you I'll take real good care of
  My my (D )my such a high high (E )roller
                                                     I can really swing the best of everything And I want to have a
third verse (play riff four times)
                                                     thing with you
                                                     Is that you? I knew you'd be here tonight and I'll make it
                                                     all right
                                                     I'll tkae real good care of you I'll tuck you in tonight and I'll make it all right
post chorus
(E )I know he's gone away and left you I'll take real good
                                                     I know he's gone away and left you I'll take real good care of
care of you
                                                     you
verse (play riff 4 times)
                                                     comments, questions to
bridge
                                                             -I'm here, I'm queer, I play 5-string bass
