Please note:

Where the words appear under the tab, the tab and the words timing are NOT synchronised. I suggest you play the song a few time, get playing the tab fluently and the tab/words timings will sort themselves!!

Intro:

Verse 1:

Another night slowly closes in and I feel so lonely

Touching heat freezing on my skin I pretend you still hold me

I'm going crazy I'm losing sleep I'm in too far I'm in way too deep over you

I can't believe you're gone you were the first you were the last

Chorus:

E **B** **A**
Wherever you go I'll be with you

E **B** **A**
Whatever you want I'll give it to you

E **B**
Whenever you need someone

E **A**
To lay you heart and head upon

A **B**
Remember after the fire after all the rain

Dbm **D**
I will be the flame I will be the flame

Verse 2:

Watching shadows move across the wall feels so fright'ning

I wanna run to you I wanna call but I've been hit by

Just can't stand up for falling apart

Can't see through this veil across my heart over you
You'll always be the one You were the first you'll be the last

Chorus:

E **B** **A**
Wherever you go I'll be with you

E **B** **A**
Whatever you want I'll give it to you

E **B**
Whenever you need someone

E **A**
To lay you heart and head upon

A **B**
Remember after the fire after all the rain

Dbm **D**
I will be the flame I will be the flame
