                                                                No chance, no way, I won?t say it, no no
                                                                Give up, give in
If there?s a prize for rotten judgement
                                                                                                             G
                                                                Check the grin, you?re in love!
I guess I?ve already won that
No man is worth the aggravation
                                                                You?re doing flips read our lips you?re in love
That?s ancient history, been there, done that
                                                                You?re way off base I won?t say it
Who d'you think you're kidding?
                                                                Get off my case
He?s the earth and heaven to you
                                                                I won?t say I?m in love
                                                                0oohh
Try to keep it hidden, honey, we can see right through you
Girl you can?t conceal it
                                                                I won?t say it, no, no
                                                                No chance, no way, I won?t say it, no no
We know how your feelin? who you?re thinking of
                                                                Give up, give in
                                                   Am
No chance, no way, I won?t say it, no no
                                                                Check the grin, you're in love!
You swoon, you sigh why deny it, uh oh
                                                                This scene won?t play
It?s too?cliché
                                                                I won?t say I?m in love
I won?t say I?m in love
                                                                You?re doing flips read our lips you're in love
I thought my heart had learn it?s lesson
                                                                You?re way off base I won?t say it
It feels so good when you start out
                                                                Girl don?t be proud, it?s ok, you're in love
My head is screaming " get a grip, girl!
                                                                No chance, no way, I won?t say it, no no
Unless you're dying to cry your heart out!
                                                                Give up, give in
You keep on denying
                                                                Check the grin, you?re in love!
                                                                This scene won?t play
Who you are and how you're feelin
Baby, we're not lying, hun, we saw you hit the ceiling
                                                                I won?t say I?m in love
Face it like a grown up
                                                                At least out loud
                                                                I won?t say I?m in?love
When you gonna own up that you got, got, got it back
                                                                Sha la la la?(sigh)
