

Cheiro De Amor - Pureza da Paixão

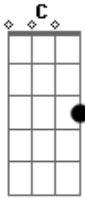

Tom: C

(intro) C G Bb F C Dm G7

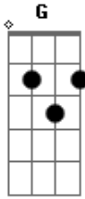

Meu bem você chegou, me tirou da solidão
 Acabou minha tristeza, uma forte sedução
 Se hoje sou feliz, agradeço a você
 Esse amor é verdadeiro, e me faz sentir prazer

Eu te dou o meu carinho com a pureza da paixão
 Te desejo eternamente dentro do meu coração
 Nossas vidas se completam como a lua e o sol
 Eu adoro amar você, não há nada melhor
 Você já sabe que eu sou o seu amor
 Vou te abraçar, me aquecer no seu calor
