

# Chelou - The Quiet

Tom: G

Find my hair upon the hillside  
 Buried deap beneath the dirt  
 Saw the things I tried to hide  
 Cause I know how much they hurt

Silver linnings and tapestry  
 Survive the test of time  
 Broken dreams and memories

Are all that's left to remind

Chose your spoon, now chase your cat  
 Mark my losses took my feats in vain  
 Came away second best  
 Tried to be different but turned out just like the rest

Silver linnings and tapestry  
 Survive the test of time  
 Broken dreams and memories  
 Are all that's left to remind
