

Chelsea Cutler - Walk Me Home (Feat. Said The Sky & Illenium)

tom:
 E
 I could cry an ocean
 To keep me afloat
 But the walls won't let me
 E
 I could leave the party
 Abm
 No one would know
 But my feet are too heavy
 E
 Some say she's fickle as water
 Abm
 Someone's daughter
 Someone's 2 A.M. kiss in the night
 E
 Some know nothing about it
 Abm
 But she takes cold showers
 E
 Like she's a girl tryna get back in time
 Gb Abm E
 Moon, walk me home
 I'm dying here, dying here
 Gb Abm E
 Don't leave me alone
 I'm tryin' here, tryin' here
 Gb Abm E
 Save me from that life
 Gb Abm Dbm
 Moon, walk me home
 E
 If they could just breathe with my lungs for a day
 Abm

How sometimes the truth is just too much to say
 So it festers there while
 E
 Some say she's fickle as water
 Abm
 Someone's daughter
 Someone too drunk to ask for a ride
 E
 Some know nothing about it
 Abm
 But she takes cold showers
 E
 Like she's a girl tryna get back in time
 Gb Abm E
 Moon, walk me home
 I'm dying here, dying here
 Gb Abm E
 Don't leave me alone
 I'm tryin' here, tryin' here
 Gb Abm E
 Save me from that life
 Gb Abm Dbm
 Moon, walk m? home
 Gb Abm
