

Chelsea Cutler - You're Not Missing Me

Intro: D

Tom:

I wear my heart upon my sleeves, I understand
 I'm hot and cold and then I'm losing who I am
 I lost myself along the way, I understand
 If you want someone else's hand to take your hand
 When I'm out and you're sleeping
 And I need you on my phone
 'Cause you know that I mean it
 When I wish that I was home to hold you
 But I have to love you through a call
 And I'm thinking you're not missing me at all, no
 Baby, the nights that we spent just go hazy
 I'm sorry that I asked you to stay
 Under the stars in the sand
 But baby, these conversations will break me
 I'm sorry I wear you like crazy
 Giving you all that I am
 I'm doing the best that I can

I wear my heart upon my sleeves, I never can
 Figure out what you want me to do instead
 You said you felt something inside, I understand
 If I've been moving you in ways that you won't bend
 When I'm out and you're sleeping
 And I need you on my phone
 'Cause you know that I mean it
 When I wish that I was home to hold you
 But I have to love you through a call
 And I'm thinking you're not missing me at all, no
 Baby, the nights that we spent just go hazy
 I'm sorry that I asked you to stay
 Under the stars in the sand
 But baby, these conversations will break me
 I'm sorry I wear you like crazy
 Giving you all that I am
 I'm doing the best that I can
