

Cher - Half Breed

Tom: C

My father married a pure Cherokee
 My mother's people were ashamed of me
 The Indians said I was white by law
 The white man always called me "Indian Squaw"

CHORUS:

Half-breed, that's all I ever heard
 Half-breed, how I learned to hate the word
 Half-breed, she's no good they warned
 Both sides were against me since the day I was born

We never settled, went from town to town
 When you're not welcome you don't hang around
 The other children always laughed at me
 "Give her a feather, she's a Cherokee"

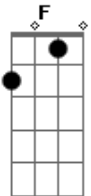

Chorus

We weren't accepted and I felt ashamed
 Nineteen I left them, tell me who's to blame
 My life since then has been from man to man
 But I can't run away from what I am
