

Cher - If I Could Turn Back Time

Tom: D

(intro) B

If I could turn back time If I could find a way
I'd take back those words that hurt you and you'd stay

I don't know why I did the things I did I don't know why I said the things I said

Love's like a knife it can cut deep inside words are like weapons, they wound sometimes

I didn't really mean to hurt you I didn't wanna see you go
I know i made you cry, but baby

If I could turn back time If I could find a way,
I'd take back those words that had hurt you and you'd stay

If I could reach the stars I'd give them all to you
Then you'd love me, love me, love me like you used to do
If I could turn back time

My world was shattered I was torn apart Like someone took a knife and drove it deep in my heart
You walk out that door I swore that i didn't care but I lost everything darling then and there

Too strong to tell you I was sorry Too proud to tell you I was wrong
And I know that I was blind, and darling

If I could turn back time If I could find a way,
I'd take back those words that had hurt you and you'd stay
Then you'd love me, love me, like you used to do, oh!

(Gb B E Gb)
If I could turn back time (If I could turn back time)
If I could turn back time (If I could turn back time)
If I could turn back time (If I could turn back time)
oh! baby

I didn't really mean to hurt you I didn't wanna see you go
I know i made you cry, but baby

Oh! If I could turn back time If I could find a way,
I'd take back those words that hurt you

If I could reach the stars I'd give them all to you
Then you'd love me, love me, like you used to do
If I could turn back time If I could find a way
If I could turn back time!
