

# Cher - Love And Understanding

Tom: C

Intro: Am Em7 F Am Em7 F E7 C

C  
Here, here in this world - Where do we go

Where do we turn - When we need some love

Bb  
It seems that love - Just can't be found

C  
Where, where do we stand - When love's supply

Don't meet love's demand - We got enough stars

Em Am  
To light the sky at night - Enough sun

Em  
To make the whole world bright

F  
We got more than enough - But there's one thing  
E7

There's just not enough of  
Am Em7 F  
Not enough love and understanding

Am Em7  
We could use some love

F  
To ease these troubled times

Am Em7 F  
Not enough love and understanding  
E7

Why, oh why  
Spend all of our time

Building buildings up to the sky  
Reaching everywhere but where  
We need to reach the most  
Hearts never can win  
Oh, in this race  
This race that we're in

We've got enough cars  
To drive around the world  
Enough planes to take us anywhere  
We got more than enough  
But there's one thing  
There's just not enough of
