B Db Gb  
I'm not the reason you're looking for redemption  
B Db Gb Ebm  
You cut some strings and everything will fade away  
B Db Gb  
You tried to use some physical connection  
B Db Gb  
There's nothing left for you to say  
Ebm  
By the way  
B Db Gb  
We used to be friends  
B Db Gb Ebm

We used to be inner circle  
B Db Gb  
I don't understand  
B Db Gb Ebm  
What have I become to you  
B Db  
Take my good word  
Gb  
Turn it backwards  
B Db Gb Ebm  
Turn your back on me  
B Db  
Is it absurd  
Gb  
For me to hurt  
B Db Gb Ebm  
When everything else is fading
