Abm                         E
Day one, skies have been raining
              B       Ebm
My eyes are wide
        Db  ( Gbm  Gbm  Gbm )
So wide
Abm                         E
Day two, skin ain't crawling baby
              B       Ebm
Truth's so white
        Db  ( Gbm  Gbm  Gbm )
It's so white

Abm                                          E
And this ever loving habit there's no telling
            B       Ebm
How to start
         Db  ( Gbm  Gbm  Gbm )
To explain
Abm                                                        E
Cause where there's arrogance this absence of the changing
            B       Ebm
I wanna change
              Db
I'm not the same

                  Db
The killing jar
Ebm
Swimming in that stuff will take you far
                  Db
The killing jar
Ebm
Swimming in that stuff will take you far
                  Db
The killing jar
Ebm
Swimming in that stuff will take you far
                  Db
The killing jar
Ebm
Swimming in that stuff will take you far

( Gbm  Gbm  Abm )

Abm                         E
Week one, skies have been shining
                             B         Ebm
My hopes are high
                      Db
So high

( Gbm  Gbm  Gbm  Abm )

Abm                         E
Week two, skin is crawling, babe
                             B         Ebm
My friends are high
                               Db
So fucking high

( Gbm  Gbm  Gbm  Abm )

Abm                         E
Now in this world where people love to tell ya
                B         Ebm
How to think
                        Db
I'm insane

( Gbm  Gbm  Gbm  Abm )

  Abm
  E
B Because I swear I've seen a million different angles
                B         Ebm
  All the same
                                  Db
B We're all the same

  [Refrão]

B                     Db
  The killing jar
  Ebm                                                    B
  Swimming in that stuff will take you far
