

# Chet Faker - Love And Feeling

Tom: G

G Bb  
Lonely sun, enough of lies  
Eb F  
Sleeping naked in the night  
G Bb Eb F  
Got to take it off my mind

G Bb  
Old enough to make you mine  
Eb F  
I believe in human lies  
G Bb Eb F  
Got to take it off my mind, off my mind

G Bb  
And now you've got me here, aware  
Eb F  
I see through the innocence  
G Bb Eb F  
I know the way is getting hard

G Bb  
But it's sold away for losing crib  
Eb F  
Music keeps me spirited  
G Bb Eb F  
But nothing can compare the way

G Bb Eb F  
You know, you got me with the love and feeling  
G Bb Eb F  
I know, my body cares only what to say  
G Bb Eb F  
You know, you got me with the love and feeling  
G Bb Eb F  
I know, my body cares only what to say

G Bb  
Old enough to see you're fine  
Eb F

Driving circles in my mind  
G Bb Eb F  
Got to keep it all in line, all in line

G Bb  
Scrambling words to make you fall  
Eb F  
Make you cold so you want more  
G Bb Eb F  
Got to keep it all in line, all in line

G Bb  
And now you know, the less you give  
Eb F  
The more I pull, the more I wish  
G Bb Eb F  
Her face just from the very start

G Bb  
But I hold in line away to live  
Eb F  
You come close just a little bit  
G Bb Eb F  
Now everything, it seems okay

G Bb Eb F  
You know, you got me with the love and feeling  
G Bb Eb F  
I know, my body cares only what to say  
G Bb Eb F  
You know, you got me with the love and feeling  
G Bb Eb F  
I know, my body cares only what to say

G Bb Eb F  
You know, you got me with the love and feeling  
G Bb Eb F  
I know, my body cares only what to say  
G Bb Eb F  
You know, you got me with the love and feeling  
G Bb Eb F  
I know, my body cares only what to say
