

Chet Faker - To Me

Tom: C

^{Am}
You keep on lying,
You keep on lying, ^C to me

^{Am}
You're keeping me tight,

You're keeping me tight, ^C I see

^{Am}
You keep on tying, enough to rely ^C on me

^{Am}
You keep on lying, enough to deny you can ^C see

^F
When you curl up in bed

And it's you in you're head now, ^C are you living?

^F
When you look straight ahead and you wish you were dead

^C
Now (now), are you giving?

^{Am}
You're giving it all for nothing,

^{Am}
You're giving it all for nothing, ^C I know

^{Am}
You're giving it all for nothing,

^{Am}
You're giving it all for nothing, ^C I know

You're giving it all for nothing, I know

^{Am}
You keep on lying,
You keep on lying, ^C to me

^{Am}
You're keeping me tight,

You're keeping me tight, ^C I see

^{Am}
You keep on tying, enough to rely ^C on me

^{Am}
You keep on lying, enough to deny you can ^C see
