

# Chi Lenno - Tired

tom:

A

I know I must be strong

But that's now so hard for me

I should see another chance

But I really can't

I don't want to remember the past

There's all loneliness

And I'm afraid that my future

Can be all the same

Cause I'm tired of my dreams

They're nothing else, just dreams

My life has been just dreams

That never have come true

I'm tired of being alone

With no one I can hold

G F

With no helping hand

Life is so hard

To face

A7M D
