

# Chi Lenno - Tired

tom:

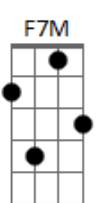

I know I must be strong  
 But that's now so hard for me  
 I should see another chance  
 But I really can't  
 I don't want to remember the past  
 There's all loneliness  
 And I'm afraid that my future  
 Can be all the same  
 Cause I'm tired of my dreams  
 They're nothing else, just dreams  
 My life has been just dreams  
 That never have come true  
 I'm tired of being alone  
 With no one I can hold

With no helping hand  
 Life is so hard  
 To face  
 I have so much love  
 That has stayed in store  
 Always on my own  
 Whishing a true love  
 I'm hurt deep inside  
 Of being out of the sun  
 Walks, dreams, love  
 A whole life all alone  
 I'd wanna see you in my life  
 But I really don't wanna see you there  
 Cause my life is nothing but foolish dreams
