

# Chicago - Look Away

Tom: A

(intro)

(verse)

Well, you called me up this morning

Told me 'bout the new love you found

Said, "I'm happy for you.

I'm really happy for you."

Found someone else,  
I guess I won't be coming 'round  
I guess it's over, baby  
It's really over, baby, wooh

(pre-chorus)

And from what you're saying

I know you've gotten over me

It'll never be the way it used to be

So if it's gotta be this way

Don't worry, baby,

I can take the news okay

(chorus)

But if you see me walking by,

And the tears are in my eyes,

Look away, baby, look away.

If we meet on the street some day,

And I don't know what to say,

Look away, baby, look away.

Don't look at me

I don't want you to see me this way.

(intro)

(verse)

When we both agreed as lovers  
We were better off as friends  
That's how it had to be  
Yeah, that's how it had to be

I tell you I'm fine,  
But sometimes I just pretend  
Wish you were holding me,  
Wish you were still holding me, oooh

(pre-chorus)

I just never thought  
That I would be replaced so soon  
I wasn't prepared  
To hear those words from you  
I know I wanted to be free  
Yeah, baby this is how we wanted it to be

(chorus)

But if you see me walking by,

And the tears are in my eyes,

Look away, baby, look away.

And if we meet on the street some day,

And I don't know what to say,

Look away, baby, look away.

Don't look at me

I don't want you to see me this way.
