

Chicago - No Tell Lover

```
Walk away if you see me comin?
                            tom:
                Bb (forma dos acordes no tom de G )
                                                                C7M
Capostraste na 3º casa
                                                                Even though it's you I'm lovin'
Intro: D7M G7M D7M G7M
                                                                Db7M
[Primeira Parte]
                                                                I want her
D7M
                                                                I can't leave her
Pretty smile lovely face and a warm breeze
                                                                I won't live without her
Now I need you lady
                                                                         A7M
                                                                There's nothing left to say
You're my no tell lover
                                                                  D7M
D7M
                                                                I want her
                                                                        G7M
Every night in a different place
                                                                                 Gbm Abm Em
                                                                I can't leave her
I'll meet you tender lady
                                                                ( Eb7M Bb7M Db7M Ab7M )
          G7M
You're my no tell lover
                                                                ( B7M E7M Em D7M G7M )
[Refrão]
                                                                [Primeira Parte]
                                                                D7M

                       Ghm
Even though it's you I'm lovin'
                                                                          G7M
                                                                You're my no tell lover
[Segunda Parte]
                                                                [Refrão]
E7M
Every minute is an hour
                                                                Rh7M
                                                                Everyone keeps tellin' me that
Every day's a lonely lifetime
         A7M
                                                                This affair's not meant to be
You're my no tell lover
                                                                Am7
                                                                Even though I need you night and day
F7M
The little time that we spend together
                                                                Walk away if you see me comin?
Just can't last forever
                                                                Bb7M
                                                                                        Gbm
                                                                Even though it's you I'm lovin'
          A7M
You're my no tell lover
                                                                  F7M
[Refrão 2]
                                                                I want her
                                                                        D7M
C7M
                                                                I can't leave her
Everyone keeps tellin' me that
                                                                         F7M
                                                                I won't live without her
This affair's not meant to be
                                                                         C7M
Bm7
                                                                She's my no tell lover
Even though I need you night and day
