

# Chicago - Stay The Night

Tom: C

Am I don't want you to misunderstand me  
 Am I just want to say what's on my mind  
 Dm No need to hit me with an attitude  
 C Because I haven't got the time

Am I want you to know one thing is certain  
 Am I truly love your company  
 Dm I won't take no if that's your answer  
 C At least, that's my philosophy

Dm Stay the night, there's room enough here for two  
 Dm Stay the night, I'd like to spend it with you  
 Dm Stay the night, why don't we call it a day  
 Dm No one can stop us, and nothing is in the way

It comes from friendly conversation  
 And if you still don't have a clue  
 Unless there's something else you've got in mind  
 We've got better things to do

(chorus)

C (Just to have you near me) F Here by my side  
 C (Just to have you near me) Dm And when I get next to your body  
 C (Just to have you near me) Oh  
 G One thing I can tell you, we're gonna be fine  
 A We're gonna have a very good time!

(solo in F - to chorus chords)
