

Chiclete Com Banana - Perfume do luar

Tom: C

(versão ao vivo)

(Félix Jr.)

Intro: Am Bm Am Bm E (em palhetadas rápidas)

(Am Bm)

Quando te vejo desperto desejo
Guardo no fundo do meu coração
Fico louco na ânsia de um beijo

Fico perdido na contramão

| Eu quero é te amar

| Me entregar ao prazer

| Adormecer nos teus braços

| Até o dia amanhecer

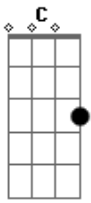

Cantando uma canção de amor

Te darei o perfume do luar

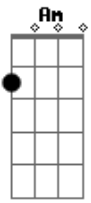

Trouxe comigo o brilho das estrelas, meu bem

E o mundo inteiro pra te dar
