

Chico Buarque - Cantando No Toró

tom:

D

Sambando na lama de sapato branco, glorioso

Um grande artista tem que dar o tom

Quase rodando, caindo de boca

A voz é rouca, mas o mote é bom

Sambando na lama e causando frisson

Mas olha só

Um samba de cócoras em terra de sapo

Sapateando no toró

Cantando e sambando na lama de sapato branco, glorioso

Um grande artista tem que dar lição

Quase rodando, caindo de boca

Mas com um pouco de imaginação

Sambando na lama sem tocar o chão

E o tal ditado, como é?

Festa acabada, músicos a pé

Músicos a pé, músicos a pé

Músicos a pé

Sambando na lama de sapato branco, glorioso

Um grande artista tem que fazer fé

Quase rodando, caindo de boca

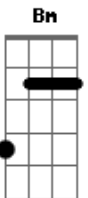

Aba de touca, jura de mulher

Sambando na lama e passando o boné

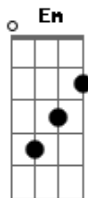

Mas olha só

Por fora filó, filó por dentro, molambo

Cambaleando no toró

Cantando e sambando na lama de sapato branco, glorioso

Um grande artista tem que dar o que tem e o que não tem

Tocando a bola no segundo tempo

Atrás de tempo, sempre tempo vem

Sambando na lama, amigo, e tudo bem

E o tal ditado, como é?

Festa acabada, músicos a pé

Músicos a pé, músicos a pé

Músicos a pé

Sambando na lama de sapato branco, glorioso

Um grande artista tem que estar feliz

(G A7 Bm7 Bm7 G E7)

Sambando na lama e salvando o verniz

Mas olha só

Um samba de cócoras em terra de sapo

Sapateando no toró

Cantando e sambando na lama de sapato branco, glorioso

Um grande artista tem que estar trançã

(G A7 Bm7 Bm7 G E7)

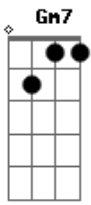

Sambando na lama, amigo, até amanhã

E o tal ditado, como é?

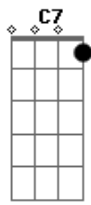

Festa acabada, músicos a pé

Músicos a pé, músicos a pé

Músicos a pé
