

Chico Buarque - Massarandupió

Tom: E

No mundaréu de areia à beira-mar

De Massarandupió

Em volta da massaranduba-mor

De Massarandupió

Aquele pia

Aquele neguinho

Aquele psiu

Um bacuri ali sozinho

Caminha

Ali onde ninguém espia

Ali onde a perna bambeia

Ali onde não há caminho

Lembrar a meninice é como ir

Cavucando de sol a sol

Atrás do anel de pedra cor de areia

Em Massarandupió

Cavuca daqui

Cavuca de lá

Cavuca com fé

Oh, São Longuinho

Oh, São Longuinho

Quem sabe

De noite o vento varre a praia

Arrasta a saia pela areia

E sobe num redemoinho

É o xuá

Das ondas a se repetir

Como é que eu vou saber dormir

Longe do mar

Ó mãe, pergunte ao pai

Quando ele vai soltar a minha mão

Onde é que o chão acaba

E principia toda a arrebentação

Devia o tempo de criança ir se

Arrastando até escoar, pó a pó

Num relógio de areia o areal de

Massarandupió
