

Chico Buarque - Olha

tom:

B

Roberto Carlos / Erasmo Carlos

[Intro:] E E Gb7 Am E

Olha você tem todas as coisas
 Que um dia eu sonhei prá mim
 A cabeça cheia de problemas
 Não me importo, eu gosto mesmo assim

Tem os olhos cheios de esperança
 De uma cor que mais ninguém possui
 Me traz meu passado e as lembranças
 Coisas que eu quis ser e não fui

Olha você vive tão distante

Muito além do que eu posso ter
 E eu que sempre fui tão inconstante
 Te juro, meu amor, agora é prá valer

Olha, vem comigo aonde eu for
 Seja minha amante, meu amor
 Vem seguir comigo o meu caminho
 E viver a vida só de amor

Olha, vem comigo aonde eu for
 Seja minha amante, meu amor
 Vem seguir comigo o meu caminho
 E viver a vida só de amor
