D Dbm6 B(b9)

E7M Bb7(#11)  
Venha, meu amor, venha ouvir, Aurora a nossa música

Mas só se for agora  
Venha ouvir sem mais demora a nossa música  
Que estou roubando de outro compositor  
E já retoco os versos com maior talento  
Dou um polimento e exponho na televisão

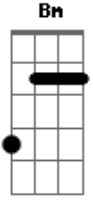

O nosso amor, a nossa íntima canção  
As nossas mais tórridas confidências  
Para audiências mundo afora  
E vai lançar seu nome, Amora, a minha última canção  
Venha, meu amor, venha ouvir, Amora, a nossa música

O nosso amor, a nossa íntima canção  
Com nossos segredos, os mais picantes  
Nos rompantes de um tenor  
Que vai cantando com tremor, a minha última canção  
Venha, meu amor, venha ouvir, Teodora, a nossa música
