Intro: C G C G C

Eis o Boi Caprichoso

Bonito e formoso pra nos encantar

Junto com a marujada

Trazendo a toada pro povo cantar

Olha o índio guerreiro na

Dança de guerra

Com os meus vaqueiros

Bravos cavaleiros fiéis

Escudeiros do meu boi bumbá

Meu boi bumbá é tradição

Que nasceu da cultura popular

Criação de um caboclo inteligente

O universo brilhante do lugar

Meu boi é meu boi

É de raiz

Amor, amor

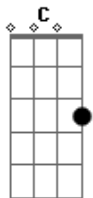

Eu quero é bis

A galera cantando e balançando

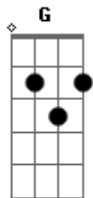

E o meu touro na arena

Eu sou feliz
