

Chico Science - Scream Poetry

Tom: F
Intro: Dm / A7

Eu posso sentir o que a paixão faz em segundos
 Eu posso sentir o que o amor fez depois de anos
 Eu gosto de sentar nos telhados
 Pra ouvir o que as casas dizem ao meu redor
 Eu gosto de subir nos telhados

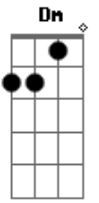

Porque eu consigo ver o mundo melhor
 Grite poesias que eu te amarei
 Até a minha ida, grite poesias
 Que o mundo tem
 A palavra que você pode escrever
 Grite poesias
 (F / Dm / A7)
