tom:

D

Eb Em7

A7

Tenho o sol que nasce por detrás do morro

Dá bom dia ao galo primeiro a despertar

O sol aquece o pasto, o sereno corta

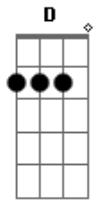

Abro a minha porta e vou trabalhar

Tenho uma nascente que vem lá da serra

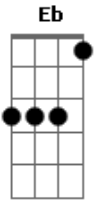

D Bm7 Em7 A
Toca meu moinho, toca meu monjolo
G Ab Gbm7 Bm7
Enche a lagoa pra molhar a horta
E7 A7 D
Sento em minha porta vejo florescer

D Eb Em7 A7
Tenho a lua branca, nasce com as estrelas
D Bm7 Em7 A
Ilumina a mata, borda todo o céu
G Ab Gbm7 Bm7
Nasce o som da viola, tudo me conforta
E7 A7 D
Fecho a minha porta e sonho com você
