

Childish Gambino - Feels Like Summer

Tom: D

m

You can feel it in the streets
On a day like this, the heat

It feel like summer

I feel like summer

I feel like summer

You can feel it in the streets
On a day like this, the heat

I feel like summer

She feel like summer

This feel like summer

I feel like summer

Seven billion souls that move around the sun
Rolling faster, faster and not a chance to slow down
Slow down

Men who made machines that want what they decide
They're just tryna tell the children please slow down
Slow down

I know
Oh, I know you know that pain
I'm hopin' that this world will change
But it just seems the same
(It is not the same)

You can feel it in the streets

On a day like this, the heat

I feel like summer (I feel like summer)

I feel like summer (I feel like summer)

I feel like summer

Every day gets hotter than the one before
Running out of water, it's about to go down
Go down

Air that kill the bees that we depend upon
Birds were made for singing

Waking up to no sound

No sound

I know
Oh, I know you know my pain
I'm hopin' that this world will change
But it just seems the same
I know
Oh, I hope we change
I really thought this world would change
But it seems like the same

I know
Oh, I know you know my pain
I'm hopin' that this world will change
But it just seems the same
I know
Oh, I hope we change
