                                                                  Dm
                                                                         Niggas creepin'
                                                                                             now don't you
Cm Dm
Daylight
                                                                  Cm Dm Cm
                                                                  close your eyes
I wake up feeling like you won't
                                                                  Cm Dm
Cm Dm
                                                                  Too late
Play right
                                                                  \mathsf{Cm}
                                                                  You wanna make it right, but now it's
I used to know but now that shit
                                                                  Cm Dm
                                                                  Too late
Don't feel right
                                                                  My peanut butter chocolate cake with
It made me put away
Cm Dm Cm
                                                                  Kool-Aid
my pride
                                                                  Cm
                                                                  I'm trying not to waste
Cm Dm
So long
                                                                  Cm Dm Cm
                                                                  my time
\mathsf{Cm}
You made a nigga wait for some
Cm Dm
So long
                                                                  If you want it
You make it hard for a boy like that to
                                                                  You can have it
Cm Dm
                                                                  If you need it
Know wrong
I'm wishing I could make this
                                                                  We can make it, oh
Cm Dm Cm
mine, oh
                                                                  If you want it
                                                                  You can have it
If you want it
You can have it
                                                                  But stay woke
If you need it
We can make it, oh
                                                                  Dm
                                                                          Niggas creepin'
                                                                                            they gon'
If you want it
You can have it
                                                                  Cm Dm
                                                                  find you
                                                                  Cm
                                                                  Gon' catch you sleepin'
But stay woke
                                                                  Now stay woke
Dm
        Niggas creepin' they gon'
                                                                         Niggas creepin'
                                                                                             now don't you
Cm Dm
find you
                                                                  Cm Dm Cm
Gon' catch you sleepin'
                                                                  close your eyes
Now stay woke
